July 2024

H Y P E R - G T

The Lotus Emeya is the fully electric hyper-GT designed to combine powerful performance, sustainable luxury and daring design. Sharp, head-turning lines pack all the Lotus DNA you'd expect while looking firmly to the future. In the intelligent, driver-focused cabin, upcycled fabrics provide a sense of connection and responsibility to the world around you. And on the road, lightning-quick acceleration and 50-50 weight distribution come together to unlock the highest levels of performance on demand.

* Total price incl. GST and excluding delivery cost. The final price of the vehicle depends on the chosen model, options, specifications and taxes. Pricing can be subject to change – please check with your local Lotus retailer.

STANDARD EQUIPMENT

EV TECHNOLOGY

Dual Motor – 450 kW Power
All Wheel Drive
800V High Voltage System
350kW CCS DC Fast Charger
22kW AC On-Board-Charger
Adjustable Regenerative Braking
Touch Activated Electric Charging Port Cover
Type2 Mode3 Charging Cable

HANDLING & DYNAMICS

Air Suspension with 2-Chamber Air Spring
Continuous Damping Control (CDC) Dampers
ICC (Integrated Chassis Control)
Torque Vectoring by Braking
Electric Power Steering
4-Way Electric Adjustable Steering Column – with Memory
Electrical Steering Column Lock

WHEELS, TYRES, DISCS & BRAKES

20" 5-Spoke Aero Grey
Front Axle: 255/45 R20 9.0JX20 Pirelli
Rear Axle: 285/40 R20 11.0JX20 Pirelli
Cast Iron Rotor Brake Discs (Rear)
Brake Discs with 4-piston Calipers Grey (Front)
Lotus Aluminum Floating Calipers (Rear)
Tyre Repair Kit
Anti-Theft Wheel Bolts

EXTERIOR

Matrix LED Headlamp
ADB (Adaptive Driving Beam) Function
AFS (Adaptive Front Lighting System)
LED Day Running Light
Rear LED Light Strip
Puddle Lights
Automatic Activation via Dusk Sensor
Lotus Active Aero – Front Grill
Frameless Doors
Front and Rear Flush Door Handle
Illuminated Door Handles
One Touch Windows with Anti-Pinch
Aluminium Gloss Black Roof
Auto Folding Exterior Mirrors with Memory
Auto Dimming Rear View Mirror
Lotus Wordmark Satin Chrome
Yellow/Black Lotus Badges
Automatically Dimming Exterior Mirrors (Left and Right)

INTERIOR

Metal Tread Plates
Vanity Mirror and Light (Driver and Passenger)
Touch Sensitive Light Switches
Glove Box with Electric Lock
2 Cup Holders in Centre Console
Type-C USB Socket x 4
Front and Rear Grab Handles
2nd Row Hanging Hook
Hard Parcel Shelf
Side Hooks in Boot
Escape Switch in Boot
Under Boot Floor Storage
Interior Carbon Pack
Centre Console
Door Button Panel
Seat Control Panel
Overhead Console
Head-up Display Cover

COMFORT

Automatic 4 Zone Climate Control
Air Quality System
PM 2.5 Filter
Heat Pump
Electrically Adjustable Front Row Air Vents
2nd Row – B Pillar Air Vents
2nd Row – Electrically Adjustable Air Vents on Rear of Centre Console

Lotus Emeya (Emeya, S, R); 450 – 675kW (612-918 PS); electricity consumption combined 17.7 – 25.1 kWh/100 km; range 610~435 km; CO₂ -emissions combined 0 g/km. Efficiency class A. The specified fuel consumption and emission data are determined in accordance with the measurement procedures prescribed by law. 1 January 2022, the WLTP test cycle completely replaced the NEDC test cycle and therefore no NEDC values are available for new type approved vehicles after that date. The range is measured based on the Worldwide Harmonized Light Vehicle Test Procedure (WLTP). The actual range to be achieved in practice may differ from the WLTP range shown as a result of external circumstances such as driving style, weather conditions and load factor. Actual charging speed and charging time may be affected by battery condition, temperature and external weather conditions.

CUSTOMER BENEFITS

Emeya is the result of countless hours of crafting, testing and perfecting, all in service of guaranteeing you a carefree ride. A feeling of comfort that is complemented by the Emeya's standard 5-year or 150,000 KM standard warranty that covers every component of your Lotus. So that if ever you do need assistance, you can rest assured you are well taken care of.

In addition to the standard warranty, the paint of your Emeya is covered for 5 years, regardless of how much you'll drive. For the high voltage components, 8 years or 200,000 KM apply (min. State of Health of battery being 70%) and the anti-corrosion warranty has you covered for 12 years, no matter the number your odometer shows.

Of course, any damage to your Emeya falling under the warranty coverage is repaired free of charge by a Lotus Authorised Repairer of your choosing.

For complete peace of mind, your Emeya also comes with Roadside Assistance coverage for the first 5 years with no mileage limitation.

Roadside Assistance and Warranty coverage is limited in terms of time duration and kilometre driven, whichever comes first. The Roadside Assistance and Warranty are subject to terms and conditions which will be provided to you at time of hand over

A yellow Emeya car is shown from a rear three-quarter perspective, driving away on a road that cuts through a vast, arid landscape. In the distance, a range of mountains is visible under a clear sky. The car's license plate area has the text 'EMEYA' on it.
